For students admitted at the Swedish Research School for Global Health

Are you planning to apply for courses at Umeå University?

Always contact Birgitta Åström birgitta.astrom@epiph.umu.se with a cc to Kersti Rådmark, kersti.radmark@ki.se (students from KI) to keep us informed about your plans for practical issues!

For PhD-courses...

...you apply through the Medical Faculty at Umeå University. The course catalogue, information <http://www.medfak.umu.se/utbildning/utbildning-pa-forskarniva/kurskatalog> and application form you can find at

http://www9.umu.se/medfak/utbildning/forskarutb/course_application_autumn.html

If you do not have the Swedish security number and have problems with your registration you can contact anna.olson@adm.umu.se to verify that you are registered at the course.

Last day to apply for the *research courses* for the autumn 2010 has already passed, but some of the courses will still be possible to attend – contact Birgitta if you are interested. Last day to apply for the ***research courses spring 2011 is November 15, 2010!***

For courses at the master level...

... contact Birgitta Åström at birgitta.astrom@epiph.umu.se

PhD students not admitted at Umeå University, please also apply through the web page <https://www.studera.nu>. The webpage is available in an English version. Please read the information related to the application process. You will need to send in documents to Antagningen, 833 82 Strömsund (certificates and academic records from previous studies) if it is the first time you apply through studera.nu. Transcript from Ladok at KI should also be attached. It is essential that this is done directly after applying.

OBS! *Late applications will be considered. You can always apply for a user account on the English page, but if it is a late application you must make it on the Swedish web page. If you are not sure, contact Birgitta.*
