For students admitted at the Swedish Research School for Global Health

Are you planning to apply for courses at Umeå University?

Always contact Birgitta Åström birgitta.astrom@epiph.umu.se with a cc to Eva Flodström eva.v.flodstrom@ki.se (students at KI) to keep us informed about your plans for practical issues!

For PhD-courses...

...you apply through the Medical Faculty at Umeå University. The course catalogue, information and application form you can find at <http://www.medfak.umu.se/english/education/doctoral-studies/doctoral-courses/>
If you do not have the Swedish security number and have problems with your registration you can contact anna.olson@adm.umu.se to verify that you are registered at the course.

Last day to apply for the *research courses for spring 2010 is November 15, 2010!*

For courses at the master level...

... contact Birgitta Åström at birgitta.astrom@epiph.umu.se

PhD students not admitted at Umeå University, please also apply through the web page <https://www.studera.nu>. The webpage is available in an English version. Please read the information related to the application process. You will need to send in documents (certificate and diploma from previous studies) if it is the first time you apply through studera.nu. Transcript from Ladok at KI should also be attached. It is essential that this is done directly after applying. Late applications will be considered.

Are you planning to apply for courses at Karolinska Institute?

Always contact Eva Flodström eva.v.flodstrom@ki.se with cc to Birgitta Åström birgitta.astrom@epiph.umu.se to keep us informed about your plans for practical issues!

To apply for PhD courses...

...please enter: <http://kiwas.ki.se/courseapplication/> and apply. Here you can also find information in both English and Swedish concerning the application process and eligibility/acceptance. If you do not already hold a log in account at KI, apply for a 'guest account'. Follow the directions for applying.

Last day to apply for the *research courses spring 2010 is November 16!*

To apply for master courses...

...please enter: <https://www.studera.nu>, the webpage is available in an English version, and read the information related to the application process. You will need to send in documents (certificate and diploma from previous studies) if it is the first time you apply through studera.nu
